  We've been honored with the opportunity to build a Rob Cosman Workbench for a local Houston Veteran as part of the Purple Heart Project! We have been assigned a Veteran to build the workbench for. Planning is already in motion, and materials are being sourced. We aim to kick off construction in the last two weeks of July and wrap things up by the end of August. The workbench can be viewed in YouTube on Rob Cosman's Channel "RobCosman.com". Video title is "The Cosman Workbench - Cheap, Easy, and BEST WORKBENCH EVER" https://www.youtube.com/watch?v=O0kN1URBUUQ.

  Want to follow our progress? Log in to our website and visit the *Purple Heart Project Forum* for up dates, photos, and behind-the-scenes stories as the build unfolds.

  If you'd like to lend a hand and didn't sign up at our January 2025 club meeting, there's still time to get involved—just reach out to Rod Griffith.

  Let's build something meaningful together!

Then, Jim Price will walk us through the club's finances. He'll share the Board's Financial Report and talk about where we stand today.

If you have an idea for a meeting topic or wish to share a project or skill that requires more time than is available during Show and Tell or Favorite Tool, please contact Rod Griffith at one of our meetings or by email at: rodneywgriffith@gmail.com
